SMART SPELLER

TYPOS FROM HEAVEN

I love typos as they can actually be very endearing ways that God speaks to us. I know a nurse who texts me short comments and her typos are hilarious because her auto speller is turned on. I had been sick the night before and she wrote me a one-liner:

“Good morning Sandy, I hope you are entering better today.” I replied, “Yes thank you, I am entering better today.” She read my reply and did a double take! I chuckled knowing it was a tongue in cheek joke from the Lord because we are entering new opportunities in a new season.

Then I shared this story with someone and accidently typed, “Thanks for your patients as we learn a new language!...Oh that is funny.... I just saw how I spelled patience!”

**WORD TO PONDER:
PATIENTLY LEARNING SPIRITUAL
LANGUAGE**

Dear one, I want to speak to you through every means possible. Learn to recognize My quickening power upon even the simplest details in your life. I love it when you do a double take and see a message I have left you in your bloopers and typos! I smile with you dear one! Word puns and double meanings, they are My delight as you patiently learn the spiritual language of riddles and parables.

Jeremiah 1:11-12 Moreover the word of the LORD came unto me, saying, Jeremiah, what see you? And I said, I see a rod of an almond tree. 12 Then said the LORD unto me, You have well seen: for I will hasten my word to perform it.

Jeremiah 24:3-4 Then said the LORD unto me, What see you, Jeremiah? And I said, Figs; the good figs, very good; and the bad, very bad, that cannot be eaten, they are so bad. 4 Again the word of the LORD came unto me.
