

# Ruby's Double Delight Garden

Tonight at prayer meeting, Kathy smelled a rose over me. Then another intercessor heard the Lord say, "The bud is blooming." Yet another said it is a double portion rose. Kathy said a rose continues to smell even after death, and that each petal is a separate and unique gift the Lord had given to share with His people. They talked about the Double Delight rose that smells so succulent. It is a rose with its lacy edges dipped in red.

The next day a lady came to church and danced before the Lord with a lovely rose in her hand. Afterward she gave it to me saying that it was a Double Delight rose that she had picked from Ruby's yard. The smell was heavenly strong perfume! The next day Ruby saw the rose on my counter and I told her it was called Double Delight. She said she had Double Delights in her yard...I just stared at her and then laughed! I had forgotten the lady had told me she had picked it from Ruby's garden! This was Ruby's rose! The Lord brought the whole Word full circle! It was a precious reminder of how our beloved intercessors all fit together in one beautiful garden.

**DOUBLE PORTION ANOINTING**

**GOD SPEAKS IN  
CIRCLES**

**Many times the Word of  
the Lord come to us in  
circles. He starts with  
one word and then  
circles around that  
word, adding more  
ideas until the  
understanding comes.  
If we look back in  
history we will see how  
pieces fit.**
