

*Sing. O heavens. for the Lord has done it!
Shout. you lower parts of the earth:
Break forth into singing. you mountains.
O forest . and every tree in it!*

Isa 44:23 NKJV

GOD SPEAKS THROUGH PARABLES IN CREATION

“The heavens declare the glory of God; And the firmament shows His handywork.” (Psalm 19:1 NKJV) His creation: what a wonderful way to get to know Him, and how often do we listen to what He is saying? Everything in life tells a story if we could just pause long enough to ponder...

Solomon said, “I went by the field of the slothful, and by the vineyard of the man void of understanding;...then I saw, and considered it well: I looked upon it and received instruction.” (Proverbs 24:30,32 KJ) The Lord opened Solomon’s ears to receive instruction from creation.

Do you stop and listen to Him through His creation and the environment in which you live your daily life? Jesus may quicken your ears to hear a delightful revelation from Him! All of life tells a story if we listen while we live. Below are some facts about creation. Find the SPIRITUAL allegories hidden like gems inside the facts. (The scriptures are given not to explain the allegories, but to give insights into general concepts.
