

In SYNCH

HE SPEAKS THROUGH THE SYNCHRONIZING OF GOD'S PEOPLE

From the book 101+ Ways God Speaks (And How to Hear Him)

*“Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ.”
(Ephesians 4:13 KJ)*

*“Behold, how good and how pleasant it is for brethren to dwell together in unity!”
(Psalm 133:1 KJ)*

When we want to understand His season, it helps to be plugged into communication with other Christians, then we can discover patterns we have in common. These patterns can be literal, as in literal circumstances, or spiritual, as in symbolic stories within our lives. When God moves, He moves on behalf of the individual and the group. In belonging to the body of Christ, we are merged into the gears of His large time clock.

He gave me a vision once of a mass of gears. As one gear moved, it moved another, and another. As I viewed the individual gears, they moved in little circles, touching other gears moving in similar circles. Each small gear was joined within a huge structure of gears which joined into giant gears, moving more slowly. All these gears turned into people and their arms were linked in a circle. As one person moved, it began the process and they all moved in synchronization. Then I saw the connection of gears turn into a replica of His clock. As He merges us within

its gears, His overall clock moves very slowly. Synchronizing a group of people like this would be practically impossible in the flesh. Only the Holy Spirit can do this incredible task.

The Lord often uses the unity of His people to confirm us with His Words. They are like the above gears providing places in which to link and become grounded. One time, when my son and I went on a bike ride and I tried to stand up on my three speed bike, my gears popped out of place and the pedals slipped. I found if I put my thumb on the gear thing, (sorry, female word) I could press down a little and it would be OK. But the allegory shouted at me because they were gears. (I was really into gears because of the above gear vision the Lord had given me.) I kept thinking, "Lord, I have nothing to push against, they keep slipping."

When I came home, I collapsed in front of the TV to see what my husband was watching. It was a science documentary about physics and the universe, of which I barely understood. However, I watched because it had a reoccurring picture of gears moving in a clock! Of course, each gear was a different size, and as one moved, another did, and so on. "Lord what are You trying to tell me? What is the allegory of my gears slipping?" I noticed the biggest gear had a pendulum kind of bar that had two pointers, one on each end. When the bar swung one way, the pointer would connect with the big gear, and push or move it forward one space. Then when the pendulum moved back, the pointer on the other end would catch another gear on another side. I said, "That's what I need to get me moving!" — An anchor, a hook, a lever that would hold me in place... in other words HIS WORD CONFIRMED and driven in a sure strong place. It was a matter of timing. The reason my "gears" were slipping is that I still needed confirming, all within His timing of fulfilling His promises. He was telling me that if my ability to launch out and move was unstable, then I needed to wait for more confirmation until I had a secure foundation.

If you seek to plug into understanding God's season, as related to the unity of patterns of believers around you, it is vital you experience His quickening and revelation power. Without them, your knowledge will be empty and you will become a false prophet unto yourself, following signs. When the Holy Spirit quickens your desired understanding, it is like a pool of water on a hot day. Soak it

I had a vision of something like a Chinese marble game where there were little holes for the marbles to settle in to. The board was tilting and moving around so as to tip the marbles out of their place. The only marbles that stayed put were ones that were settled into the spots of FAITH, HOPE AND LOVE. His purpose is to move all our wavering places and settle them into faith, hope love, so that they will remain. When we are in synch, we line up with God's Word, the only thing that remains.

Heb 12:27-29 NKJV

Now this, "Yet once more," indicates the removal of those things that are being shaken, as of things that are made, that the things which cannot be shaken may remain. Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear. For our God is a consuming fire.

1 Cor 13:13-14:1

And now abide faith, hope, love, these three; but the greatest of these is love.

WORD O' GRAM: SET IN PLACE

**Seeking resolution to
Everything
That is out of order in my life.**

**Independent
No more.**

**Praying to be
Living in synch
According to Your Word.
Changed and reconciled with Your blood.
Endless peace is my reward.**

Col 1:16-17 NKJV

All things were created through Him and for Him. And He is before all things, and in Him all things consist.

Col 1:19-20 NKJV

For it pleased the Father that in Him all the fullness should dwell, and by Him to reconcile all things to Himself, by Him, whether things on earth or things in heaven, having made peace through the blood of His cross.

For where two or three are gathered together in My name,
I am there in the midst of them.

Matt 18:19-20 NKJV
