

## THANKSGIVING PARABLE: TURKEY IN THE BAG

I cook my Thanksgiving turkey in a bag. I put the turkey in the bag and then into the oven it goes. Cooking in the bag gives much more gravy and the meat is tender and moist and falls off the bone. Cooking in the bag takes less time to cook so I don't have to get up in the dark to put the turkey in the oven!

Cooking in a bag reminds me of the scripture in Psa. 139 where He has beset us. The Hebrew word for "beset" means to be enclosed in a bag.

*Ps 139:5 AMP*

*You have beset me and shut me in — behind and before, and You have laid Your hand upon me.*

## GOD'S LOVE LETTER TO YOU: SURROUNDED BY MY CAREFUL TENDING

Just like turkey in the oven, I completely surround you within My love. I warm you, comfort you, even make you tender like My love for you. You are very safe and protected. Nothing touches you without My permission and in whatever hot place that you find yourself, always remember that I AM the One Who sets the dial. I am Your good Father chef from heaven's farm to earth's table! You are lovingly surrounded.

*Isa 28:25,28* A farmer plants His seeds—black cumin, cumin, wheat, barley, and emmer wheat—each in its proper way, and each in its proper place. Just like a chef, the farmer knows just what to do, for God has given him understanding. Grain for bread is easily crushed, so he doesn't keep on pounding it. The Lord is a wonderful teacher of chefs and farmers, and He gives them great wisdom.
